Education

Software Engineering, Rochester Institute of Technology | 2016–Present

Expected Graduation: May 2021

Deans List | Cumulative GPA of 3.780

Job Experience

Software Engineering Intern, Apple | Summer 2019

Intern on iWork team. Worked on feature projected to ship for Pages, Numbers, and Keynote. Worked with HI, PMs, and other engineers.

Software Engineering Intern, Apple | Jun–Dec 2018

Intern on Localization and Release Engineering Team. Built a project management macOS application from scratch, contributed heavily to a stack of Swift frameworks, and collaborated with PMs and a designer.

Software Engineering Intern, Apple | Summer 2017

Intern on Localization and Release Engineering Team. Worked to streamline the process of efficiently reusing translations in help documentation.

Software Development Intern, Global Data Consultants | Summer 2016

Collaborated with a team of three others to build and maintain an internal web app for Human Resources

C# ASP.NET/MVC4 Backend | Windows Authentication | SignalR for real-time functionality | Backbone.JS frontend

Project Experience

Lead Developer, CMS Now for iOS | 2015–2016

Released in iOS App Store and is currently used by hundreds of students each day to view CMS announcements | https://appsto.re/us/Hrflcb.i

Interacted with a design team and wrote all code for versions 1.0–1.1

Flashcard Central for iOS | 2015–2016

Designed and implemented a full-featured flashcard app that integrated heavily with iOS. I chose this project as part of a high school class where we could develop any app we wanted.

Created iOS app for WWDC 2015 Scholarship Program | April 2015

Developed an app about myself explaining experience, philosophies, etc. and was chosen by Apple to attend the Apple Worldwide Developers Conference in June 2015

Technologies

Fluent in Swift | Xcode | Cocoa Touch | Auto Layout | Git | C# | Java | Python

Experience in Objective-C/++ | Grand Central Dispatch | Common Crypto | Perl | C | SVN | Ruby | Rails | Django | JavaScript | SQL | HTML | CSS | LabVIEW
